

## Monitoring, Evaluation & Adaptation Checklist

In addition to the highlights below, TNC staff should refer to the checklists at the end of each module, which comprise a comprehensive checklist to inform monitoring, evaluation and adaptation.

### Step One: Develop Indicators

- Develop a targeted set of subjective and objective human rights impact indicators reflecting IPLC goals, priorities and concerns, based on a [Human Rights Impact Assessment](#) or areas of concern identified through other assessments or processes.
- Consider existing or established IPLC engagement processes

### Step Two: Collect and Evaluate Feedback

- Establish monitoring and data collection systems for specific time frames using appropriate methods, considering existing IPLC engagement processes
- Put methodologies in place, considering both formative and summative evaluations (e.g., midterm and final pause-and-reflect meetings)

### Step Three: Engage in Adaptive Management

- Adapt as needed, according to evaluation results
